- (3) I will **maintain satisfactory job performance** and follow all policies of my employer. If I fail to do so, I may be released from the Co-op program.
- (4) I will **maintain satisfactory academic performance** at Texas A&M and complete all academic requirements for each work term.

- (6) I will **attend classes** at Texas A&M in College Station **full-time** the semester before I work, and I intend to graduate from Texas A&M.
